How we built a single seat, autocross race car (2012)

FM 89 Radio Show

IN BRIEF

Hi, I am a **hard working** Growth Marketer & Product Manager who will help you **build & launch products** that customers love. I value simplicity, honesty and **empathy**.

EXPERIENCE

Optimization Specialist

Toronto Film School & Yorkville
University
Feb, 2018 - Present

Primary Responsibilities: Spearhead conversion rate optimization projects, build and manage lead attribution models, create digital assets (Forms, Landing Pages, Websites) to support multi-million dollar ad spend.

Achievements: Fueled 500% growth in International Student enrolment through Vue.js powered landing pages & doubled the conversion rate on our websites by building one of its kind, Google Sheets powered CMS, enabling Brand Managers & Copywriters to effortlessly build and modify webpages.

Product Manager & Marketer

Caspy Inc
Feb, 2016 - Jan, 2018

Achievements: Built apps & bots to automate lead generation, press outreach & social media management. This resulted in: 4 product launches, 50000+ page views without ads, a Twitter shout out from Alexis Ohanian (Founder of Reddit), growth hack products used by 7500+ leads, 5 features in Online & Print Media including Business Insider.

(Current Employer)

SIDE PROJECTS

Block Facebook Chrome Extension

Coded in less than 2 hours, the Chrome Extension has reached 3500+ downloads and was featured on ProductHunt as one of the best products of the day.

Uncover Harassers Online

A chrome extension that highlights the names of celebs accused of sexual harassment. It has been covered by multiple media outlets and has received support and love from activists all over the world.

I work at the junction of design, dev & strategy
